

February 4, 1976

PRESIDENT: Senator Carsten.

SENATOR CARSTEN: Mr. President, members of the Legislature. I have passed around, to your desk, a statement of intent of this bill. Briefly, we had several bills presented to our Committee yesterday for introduction. Our Committee was real reluctant to do it at this late date. However, we found one that has caused considerable amount of dissatisfaction over the state. There are inequities in the penalties that are assessed against this collection of sales. We felt that this was important to introduce.

I ask you to consent for the introduction of this bill this morning.

PRESIDENT: Do you want that to go to vote today or tomorrow, Senator?

SENATOR CARSTEN: We better try it if we can, Mr. President.

PRESIDENT: Alright. The question is shall the bill be introduced. Record your vote. Please vote. We're about to adjourn. Record.

CLERK: 30 ayes, 0 nays.

PRESIDENT: The bill is introduced.

CLERK: Read title to LB 996.

Mr. President, LB 996 has been referred to the Reference Committee. Signed, Senator Mahoney, Chairman.

Mr. President, a rules change offered by Senator DeCamp will be inserted in the Journal and referred to the Rules Committee ... two of them by Senator DeCamp.

Senator Murphy asks unanimous consent to print amendments to LB 948 and LB 660. He'd like both of those printed in the Journal.

That's all, Mr. President.

PRESIDENT: Read the motion to adjourn.

CLERK: Mr. President, I move we adjourn until 9 o'clock. Signed, Senator Burbach.

PRESIDENT: You've heard the motion. All in favor say aye, contrary say nay. We are adjourned.
